How to read the chart:

Enrollment: The number of students enrolled by grade.

Teacher FTEs : The number of teachers in that grade level.

Class Size Ratio: The average class size in that grade.

Class Size Difference: A negative number, indicated by parenthesis, states how many additional students can be taken into that grade level without the need for additional staffing. A positive number, indicated by the red font, shows how many students over the staffing guidelines that particular grade is currently.
